PROFESSIONAL SUMMARY

Frontend React Developer with hands-on experience building responsive, modern, and high-performance web applications using React.js, JavaScript (ES6+), HTML5, CSS3, and REST APIs. Skilled in developing reusable components, optimizing application performance, and creating intuitive user experiences across desktop and mobile devices. Passionate about writing clean, maintainable code and continuously learning modern frontend technologies to build scalable, user-focused applications.

TECHNICAL SKILLS

Frontend: React.js, HTML5, CSS3, Tailwind CSS, Chakra UI

Programming Language: JavaScript (ES6+)

Tools & Technologies: Vite, Git, GitHub, REST APIs

Soft Skills: Communication, Teamwork, Problem Solving, Adaptability, Time Management, Continuous Learning

PROJECTS

Personal Portfolio Website

Technologies: React.js, Vite, Chakra UI, JavaScript, HTML5, CSS3

- Developed a fully responsive personal portfolio to showcase projects, technical skills, and contact information.
- Implemented light/dark mode, smooth animations, responsive navigation, and modern UI components.
- Optimized performance and ensured compatibility across desktop, tablet, and mobile devices.

Photo Gallery Website

Technologies: React.js, JavaScript, Unsplash API, Chakra UI, HTML5, CSS3

- Built a responsive photo gallery application featuring image search, infinite scrolling, and masonry grid layout.
- Integrated the Unsplash REST API to fetch and display dynamic image content.
- Developed reusable React components and optimized the user experience with responsive design principles.

Calculator Application

Technologies: React.js, JavaScript, HTML5, CSS3

- Developed a responsive calculator supporting standard arithmetic operations.
- Implemented reusable components and efficient state management for real-time calculations.
- Designed a clean, user-friendly interface optimized for desktop and mobile devices.

EDUCATION

Bachelor of Technology (B.Tech) in Computer Science and Engineering

Dr. A. P. J. Abdul Kalam Technical University (AKTU), Lucknow

Expected Graduation: 2028

Intermediate (Class XII) – UP Board

Government Inter College, Agra

Percentage: 67% | **Year:** 2023

High School (Class X) – UP Board

Government Inter College, Agra

Percentage: 73% | **Year:** 2021

EXTRA-CURRICULAR ACTIVITIES

- Participated in the National Cadet Corps (NCC) and served as a senior member.
- Participated in Taekwondo activities at Eklavya Stadium.
- Successfully completed a one-year Personality Development course from FEA.
